HAITI BIBLE MISSION

EXISTS TO EVANGELIZE AND DISCIPLE THE PEOPLE, TRANSFORMING THE SPIRITUAL LANDSCAPE OF A DESPERATE COUNTRY

Based in Jeremie, Haiti (120 miles west of Port-au-Prince), our ministry encompasses pastoral training and leadership development, church planting, educational support, widow and orphan care as well as a constant pursuance of justice for the oppressed and the overlooked. Our approach is highly relational and focuses on the most isolated and poverty stricken parts of western Haiti.

We train native pastors through Biblical seminars and leadership programs to share the Word of God and coordinate our service based projects. By training the native pastors to be Christian leaders, we empower them to create lasting change in their community and take care of their country as only a native Haitian can.

Haiti Bible Mission participates in a wide range of humanitarian assistance projects. During the past 10 years, this ministry has constructed multiple school buildings, churches, and pastor's homes.

MISSION TRIPS

Haiti Bible Mission offers a variety of short term, service based mission trips. These range in scope from general ministry outreach and sports camps to specialized construction projects and medical team services. Ministry outreach trips allow members to work alongside Haitian pastors and the Haiti Bible Mission team to minister to children and families, provide humanitarian assistance, help with back to school rallies and many other activities. Each trip can be customized to encompass the area of service in which you prefer to focus. The trips give people a first hand look at the Haitian lifestyle and allows them to truly live the difference by serving those in need.

Our mission house provides basic amenities including sleeping facilities for up to 22 team members and a full workshop for construction-based mission trips. Additionally, the house includes an open air gallery with a stunning view of the ocean – perfect for morning devotionals and group discussions. Each trip includes a tour of Jeremie and a day spent on beautiful Caribbean beach.
